2023 IRSL Congress: **Ecologies of Childhood**

The 26th biennial Congress of the International Research Society for Children's Literature (IRSL) will be hosted at the University of California, Santa Barbara on August 12–17, 2023 and will be devoted to the theme "Ecologies of Childhood." This is the first time the IRSL Congress will be held in the United States. The interdisciplinary 2023 IRSL Congress is co-organized by Sara Pankenier Weld of the University of California, Santa Barbara and Dafna Zur of Stanford University. For more details, see the conference website: <https://irscl2023.org>.

Sponsored by the Interdisciplinary Humanities Center, Carsey-Wolf Center, Department of Germanic and Slavic Studies, Comparative Literature Program, Graduate Center for Literary Research (GCLR) at UC Santa Barbara and the Center for East Asian Studies at Stanford University
