MAYTE GREEN-MERCADO

Rutgers University

Please join us for a talk with Dr. Mayte Green-Mercado on the displacement of Moriscos —Iberian Muslims forcibly converted to Catholicism in the first two decades of the sixteenth century. In this discussion of an ethno-religious minority group, we will be exploring the possibilities of undisciplining and redisciplining histories of race and race-making in the premodern Mediterranean.

Mayte Green-Mercado is Professor of History at Rutgers University—Newark. She is the author of *Visions of Deliverance: Moriscos and the Politics of Prophecy in the Early Modern Mediterranean*. Her current book project is concerned with histories of displacement, migration, and refugees in the early modern Mediterranean.
