

LAIS *Tertulias* in collaboration with GGSE presents:

Anti-Racist Paradoxes

Luis Martín Valdiviezo Arista

2022-2023 Craig M. Cout Visiting Professor, Center for Latin American and Caribbean Studies, Watson Institute, International & Public Affairs, Brown University

In this talk, Dr. Valdiviezo Arista will analyze some current discourses in the political and educational spheres that confront inequalities and injustices derived from racism that despite their best intentions, are nevertheless still based on racist assumptions.

Sponsors: Department of Spanish and Portuguese, Gevirtz Graduate School of Education, Interdisciplinary Humanities Center, Latin American and Iberian Studies Program, Department of Black Studies, Department of History, and Silvia Bermúdez.
